

# Math Minutes

Week of \_\_\_\_\_ Date Due \_\_\_\_\_

During the week I would like you to spend some time practicing your multiplication and division facts as part of your math homework. I would like you to practice each night for 10 minutes (5 minutes multiplication, 5 minutes division). You can practice more if you would like!

10 minutes a day/70 minutes a week

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Multiplication (5 minutes per day)							
Division (5 minutes per day)							

Total number of minutes practicing math facts \_\_\_\_\_
